

ROC Barn Dance - 29th November 2008

Sulhamstead Village Hall was packed to capacity for the Barn Dance and Laying-Up Supper.

ROC members and their relatives and friends crowded the dance area for lively music provided by the 5-piece Wheelwright's Bane folk dance band, and their caller kept us all on our toes throughout the evening with explicit instructions for the steps and entertaining repartee.

The meal provided by the Save-the-Children fundraisers was served very efficiently and was delicious, and deserved the many compliments.

A substantial amount was raised for the charity, and a number of attendees were keen for another barn dance to be arranged.
