

QUEENS HARBOUR MASTER PORTSMOUTH

NAVIGATION WARNING

NAV WARN 3/09

Approaches To Portsmouth - Submerged Barrier

1. One of a series of unlit yellow piles marking the Submerged Barrier has toppled in position 50 45.75N 001 04.09W. As a result the pile is no longer visible at any stage of the tide therefore mariners are to proceed with extreme caution when navigating in the vicinity
2. The following Portsmouth NAVWARNS remain in force:02/09,41/08,34/08,27/08,14/08,61/07,60/07,57/07,34/06,78/05,10/04
